**SIDE BENCH WITH ADJUSTABLE SQUARE AND WATER CONTAINMENT BARS FOR PIKUS, ZOE E SMS**

MADE IN ITALY

- The side bench with adjustable square allow to have a perfect parallelism between the tile edge and the cutting line: this is extremely useful while performing either jolly/ 45° cut or 90° straight cut. Thanks to this accessory wet saws Pikus, Zoe and SMS become suitable for cutting jolly/45° on slabs having significant overall length (up to 200 cm).
- The two water containment bars with nylon brushes allows to reduce any leakage during the cut, making sure all water goes into machine tank.
